ORDER RE ADDITIONAL SCHEDULE ENLARGEMENT

On January 6, 2011, Central Vermont Public Service Corporation ("CVPS") advised the Public Service Board ("Board") that the Department of Public Service ("Department") and CVPS are continuing to engage in discussions with respect to this docket. CVPS requests an additional enlargement of the schedule to facilitate these discussions and to provide the Department with a further opportunity to review and evaluate the proposed transaction.

The filing by CVPS represents that Vermont Marble Power Division of OMYA, Inc. and the Department agree with the proposed changes to the schedule. The Town of Proctor indicated by e-mail that it finds the enlarged schedule acceptable provided it is given the opportunity to prefile additional testimony and there is some flexibility in the schedule with regard to the dates for the technical hearing. In accordance with the existing schedule, the Town of Proctor had prefiled testimony on January 6, 2011. The schedule set forth below permits the Town of Proctor to prefile additional testimony on or before January 20, 2011, and provides that the technical hearing would occur during either the week of March 7 or March 14, 2011.

Based on CVPS's filing and other communications submitted by the parties, I grant the request for enlargement and hereby adopt the following revisions to the schedule:

Non-Petitioner Prefiled Testimony Due	January 20, 2011
Discovery Requests on Non-Petitioner Prefiled Testimony by	January 28, 2011
Discovery Responses by Non-Petitioners by	February 11, 2011
Technical Hearings (with live rebuttal and surrebuttal)	Week of March 7 or 14, 2011

SO ORDERED.

Dated at Montpelier, Vermont, this 10th day of January, 2011.
